Directions to Escondido Office:

Driving South on 15:

Exit at Felicita and turn left at bottom of ramp which places you onto Citracado Parkway. Drive straight ahead, cross Felicita, go under the freeway.

Driving North on 15:

Exit at Felicita and turn right.

Then:

- You will see Acacia Animal hospital on the Right and a large Blue sign that says Rady Children's' Emergency.... They share a driveway. Go into the driveway and turn left toward the medical building. Park anywhere in this lot.
- When you walk into the entryway of the building (in the center of the purple color), you will notice a yellow tiled stripe on the floor. Follow this "yellow brick road". It will take you behind the stairway to a carpeted hallway. Look for Suite 110, Pacific Oncology & Hematology Associates. Tell the receptionist that you are there to see me.
